NAVIGATION

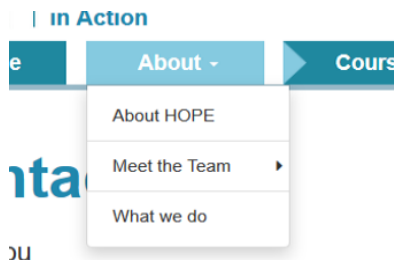

Main Navigation – positioned directly under **Banner**. Each **Navigation Button** provides a link to an **Area** – Home, About, Courses, Evidence, Commissioners, News and Contact.

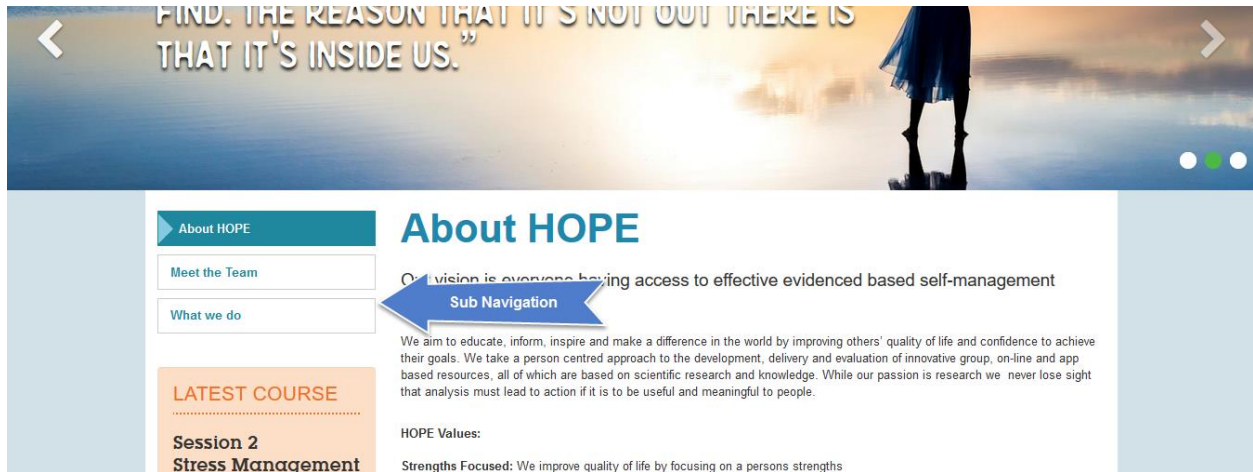

Sub Navigation – some **Areas** have discrete parts known as **Sections** the can be accessed from a menu that is built into the Navigation Button. Areas that have Sections have arrows pointing vertically down as show below:

When Selected a menu list appears dynamically as shown below:

Sub Navigation is also available on the left column of the web page for ease of access for the user.
